Trip Overview

Welcome, adventurers, For an unforgettable tour & short term study experience! Our journey begins in the vibrant city of Auckland. As international students, you're about to embark on a whirlwind exploration that promises to immerse you in the breathtaking beauty and rich heritage of New Zealand.

Our first stop takes us to the serene Aongatete Forest Camp, nestled amidst lush forests and rolling hills. Here, amidst the tranquil surroundings, we'll indulge in outdoor activities, connect with nature, and forge bonds that transcend borders.

Next, we venture to the enchanting town of Matamata, home to the iconic Hobbitor Movie Set. Prepare to be transported to the fantastical realm of Middle-earth as we wander through the charming hobbit holes and lush green landscapes. Our visit continues with a tour of the Agrodome, where you'll experience the essence of New Zealand's agricultural excellence firsthand, then to Rotorua to discover the geothermal wonderland.

On the next leg of our journey, we will head to New Plymouth. Along the way, we'll explore the famous Waitomo glowworm caves, visit the historic Mokau Museum, and challenge your fear of heights on the Arapuni swing bridge.

Upon arriving in New Plymouth, we will spend a week enjoying surfing, watersports, and various adventure tourism activities. Our accommodation for the week will be in cosy cabin-style lodgings at the scenic Fitzroy Motor Camp, situated right on the stunning west coast beach.

After this week, warm Kiwi hospitality awaits in the form of a homestay experience. Here, children will have the opportunity for a short-term study immersion, delving into the unique facets of New Zealand schooling, culture and lifestyle.

Join us as we embark on a journey of discovery, camaraderie, and unforgettable memories in the heart of New Zealand's North Island.
